M-F-RD\$765/\$865

Summer Care Modifications

(a full detailed packet will be emailed to those who register)

- Camp groups will consist of 2 counselors and 8-10 campers
- Campers will be in the same group each day they attend camp.
- There will be no mixing of campers or staff.
- Campers from the same household will be in the same group
- 30-ft of distancing will be maintained between groups
- Camper groups will range in ages 5-14 years
- When indoors camp groups will have a designated room or space.
- All field trips and pool trips have been eliminated
- Activities for Campers will be set up to allow 6ft of social distancing between participants.
- To minimize contact during drop off/pick up, parents will remain in their vehicle and staff will do curbside sign in and out. Each group will be assigned a designated drop off and pick up time. Times will be the same all summer.
- Re-usable water bottles are required
- Mask for employees and campers will be worn when indoors. Campers will be required to bring a mask with them every day.
- Hand sanitizer will be available to all campers. Hand Sanitizer stations will be set up throughout the Recreation Center.

The Palos Heights Parks and Recreation Department will follow guide guidelines outline by the Illinois Department of Commerce and Economic Development (DCEO) during Phase 3 of the Restore Illinois Plan to provide a safe and healthy camp experience for families. Information is subject to change as additional guidelines become available from state-wide agencies providing safety guidance regarding phases of the Restore Illinois Plan.

The following camps/programs will not be running this summer

- Kiddie Camp 3-4 years
- Before and After Camp
- CIT Program

Pre-Registration for camp
is required by
JUNE 29TH.
